3rd FFN Global Congress 2014

4-6 September 2014

Abstracts

Abstract Submission

Deadline: 30 May 2014

The Scientific Committee invites authors to submit their abstracts for consideration and inclusion in the programme at www.ffn-congress.com. Please note only electronic submissions will be accepted.

Please be kindly invited to submit your abstract using the [Abstract Submission System](#).

Please note that registration and abstract submission are two different processes, thus you cannot use the password and user name you received for your congress registration.

Abstracts to one of the following themes:

- Peri-operative management
- Fracture management
- Rehabilitation after fracture
- Prevention of new fractures
- Research in fragility fractures
- Changing healthcare policy

Preparation of your Abstract

- Abstracts must be submitted in English
- All abstracts must contain original work that has not been published or presented identically on previous occasions
- Indicate the preferred type of presentation (oral or poster)
- The title should be as brief as possible but long enough to indicate clearly the nature of the study. Abbreviations must not be used in the title
- Graphics or tables shall not be used
- Please check spelling and grammar carefully. All abstracts will be published as submitted
- Use generic names. Commercial drug names may not be used

Oral Presentations

Computer projection facilities (PowerPoint presentations) will be available in all meeting rooms. MCI will provide further information prior to the congress.

Poster Presentations

Selected posters will be discussed during the congress at the venue. Posters should be prepared in DIN A0 size (84 × 1189 mm), portrait format, in English language. MCI will provide further information prior to the congress.

Registration

Please note that the acceptance of your abstract does not include congress registration. At least one author (the first or the presenting author) is therefore kindly asked to register for the congress. The abstract will otherwise not be reviewed and waived from the program.
